1 3 7 New Strategy

One in particular has had a major impact on our productivity: the 1-3-5 rule. Here's the gist: Understand that you can't accomplish an endless number of things each day. Instead, accept that you can reasonably get one big thing, three medium things, and five small things done. So keep your daily to-do list to just those nine items.

Alix carries out a 7-S analysis. She finds that Whitehawk's developing sales strategy no longer aligns with its small-business skill set. The rapid influx of new staff members, along with changes in technology, means that some staff don't have the necessary systems skills. Worse still, they're unclear on the organization's values and sense of ...
