### **Palmer, Tom G., ed., After the Welfare State. - Free ...**

—Tom G. Palmer (After the Welfare State [p. 52]) The modern welfare state began to take shape in the 1880s in Otto von Bismarck's Germany, and it took off in the United States in the 1930s under Franklin Delano Roosevelt's "New Deal." Now that the welfare state is thoroughly entrenched throughout most of the world, is there any reason to question its existence or any way to eliminate it?

### **Review: After the Welfare State - The Objective Standard**

After the Welfare State examines the history of voluntary aid societies, which flourished until the current array of entitlement programs wiped them out. The current welfare state is unsustainable, but also unnecessary.

AFTER THE WELFARE STATE. Politicians are leading nations to financial ruin. After the Welfare State is a new book that shows how and why that is happening. The welfare state is the creation of Germany's militarist Chancellor Otto von Bismarck, who initiated it as a means of making people dependent on the state. It has since come to colonize the planet.... READ MORE
