Many of the practice questions are taken from previous exams, and care is taken to ensure that they cover all the information candidates need to pass the CPA Exam. Broken down into four volumes-Regulation, Auditing and Attestation, Financial Accounting and Reporting, and Business Environment and Concepts-these top CPA Exam review study guides worldwide provide: More than 2,700 practice questions Complete information on the new simulation questions A unique modular structure that divides content into self-contained study modules AICPA content requirements and three times as many examples as other study guides

Developed for preparers of financial statements, independent auditors, and valuation specialists, this guide provides nonauthoritative guidance and illustrations regarding the accounting for and valuation of portfolio company investments held by investment companies within the scope of FASB ASC 946, Financial Services—Investment Companies, (including private equity funds, venture capital funds, hedge funds, and business development companies). It features16 case studies that can be used to reason through real situations faced by investment fund managers, valuation specialists and auditors, this guide addresses many accounting and valuation issues that have emerged over time to assist investment companies in addressing the challenges in estimating fair value of these investments, such as: Unit of account Transaction costs Calibration The impact of control and marketability Backtesting

The overriding philosophy of this text is to provide the instructor with comprehensive coverage of ethical and professional issues encountered by accounting professionals. The book is devoted to helping students cultivate the ethical commitment needed to ensure that their work meets the highest standards of integrity, independence, and objectivity. Ethical Obligations and Decision Making in Accounting is designed to provide the instructor with the best flexibility and pedagogical effectiveness of any book on the market. To that end, it includes numerous features designed to make both learning and teaching easier.

The CGMA Exam – Case Study Guide is designed to provide you with an understanding of the CGMA exam. It provides an overview of the key requirements to prepare for the CGMA case study examination and will provide you with proven study techniques. The book leverages the practice exam available online for all exam candidates. It provides guidance, illustrations and tools to analyze the pre-seen material for the exam to prepare, as well as a detailed walk-through of the actual exam scenarios and tasks, and offers sample solutions and comments. Practical hints and realistic tips are given throughout the book making it easy for you to apply what you've learned in this text to your actual case study exam. It covers the building blocks of successful learning and examination techniques and shows you how to earn all the marks you deserve as well as explaining how to avoid the most common pitfalls.

Do you perform engagements in accordance with generally accepted government auditing standards (GAGAS) as presented in the Yellow Book? This book provides an excellent baseline of information for accountants to better understand governmental auditing foundations, ethics, general audit standards, financial audit standards, attestation engagement standards, and fieldwork and reporting standards for performance audits. It is essential that all auditors planning and conducting audits in accordance with GAGAS understand and discern these concepts and standards in executing their responsibilities. In addition to a chapter covering the key points in a Uniform Guidance compliance audit, this book also includes content from AICPA Guide Government Auditing Standards and Single Audits related to a Uniform Guidance compliance audit, including appendixes for example auditor's reports and sampling guidance. This book will prepare you to do the following: Identify the types of engagements that are performed under Government Auditing Standards. Recognize Yellow Book requirements related to independence, peer review, and more. Identify the additional requirements for performing a financial audit under GAGAS. Recognize the additional GAGAS reporting requirements for financial audits. Recall the requirements for performing attestation engagements and performance audits under the Yellow Book.

Gain hands-on experience with case studies designed to simulate real-world scenarios and common problems in today's not-for-profit environment. This book goes beyond the theory and will show you how to navigate the key issues that arise in not-for-profit accounting and auditing.
