World History: Patterns of Interaction © 2012 is a highly

integrated, high school world history textbook program with enhanced HISTORY® curriculum that provides teachers with a practical and motivational approach to help students think critically and reflectively. Together, HMH & HISTORY® infuse social studies with streaming video and interactive features that bring content to life for students and help them make connections between the past and present. Meeting the needs of all learners is no easy task. This is why Houghton Mifflin Harcourt created World History: Patterns of Interaction. Designed to engage students with the narrative while integrating rich multimedia assets, the program brings content to life for students and enriches their understanding. - Publisher.

Livy (c. 59 BC-AD 17) dedicated most of his life to writing some 142 volumes of history, the first five of which comprise The Early History of Rome. With stylistic brilliance, he chronicles nearly 400 years of history, from the founding of Rome (traditionally dated to 757 BC) to the Gallic invasion in 386 BC - an era which witnessed the reign of seven kings, the establishment of the Republic, civil strife and brutal conflict. Bringing compelling characters to life, and re-presenting familiar tales - including the tragedy of Coriolanus and the story of Romulus and Remus - The Early History is a truly epic work, and a passionate warning that Rome should learn from its history.

Maps and perforated, reproducible pages to help children become familiar with the function of maps and how to find locations on a map or globe. Correlated to National Geography Standards.
