Bored, single and without a care in the world, Cindy Parsons spends her days illustrating pictures and comics for her clients, yet she dreams of something more. In her life, she always wanted to be a detective, but unfortunately, she didn't really have the chops. Forced to the sidelines due to her own inability to pass a police exam, Cindy spends her days drawing and watching detective shows. Then...one day she receives an email, it's strange and short. "It was him all along. He's going to kill you too, I hope I'm not too late." Such an email, Cindy quickly finds, was not meant for her at all! Can she find out who the email was meant for before it was too late?Join Cindy Parsons on her first exciting adventure as an amateur detective. With no training except for the copious hours of police dramas that she watched, follow her as she looks to crack the case of a lifetime. She'll face many challenges in her quest to find out the truth of the mysterious email, the police, her own fears and a complex web of mystery that will take her further than she had ever gone before. Can she solve the case, avoid getting thrown in jail for meddling and overcome her own naivet in order to find out the truth of the email that was sent to the wrong person!

Chase Banter had thought she'd adjusted completely to the demands of parenthood. She's not disconcerted by her four year-old daughter's budding genius, or the first encounter with the PTA. Her writing career has hit bumpy roads on her latest tour, though, and then things don't go so well when denizens of the PTA mention books and banning in the same sentence.Her BFF Lacey has a plan. It's simple: world-wide domination. Empower their inner lesbian superhero and take over. It's a Lesbian Nation rumble as they raise the forces of revolution. The PTA isn't going to know what hit them! Join Saxon Bennett on yet another Goldie Award winning wild ride through the quirky life of Chase Banter.

This is an engaging book ready to take you on an afternoon voyage through the cosmos. You help with experiments and learn some of the processes that go into making up scientific hypotheses on relativity, the speed of light and other light matters. Some humor is interjected to soften the dryness of the subject matter. Delightful illustrations will welcome you along for the fun. Come along for the ride and begin your adventure into light science. Find out why some ideas from days past are no longer considered correct and how that changes the way we will all look at the science of the stars in the future.
