You're walking through Sheffield City Centre and see somebody buying some flowers at a market stall. Nothing special about that but you do a double take as sunlight blinks from something metallic. The street seller isn't human! A beaten and battered robot is behind the counter. It's Hank, one of the vintage robots living in Sheffield doing his day job. Mecanismos is a series of snapshots drawn by local artist GrainArt that feature members of the robot Brown family and their friends. Look deeply into the drawings and feel what it would be like to be in their shoes.
