But if it's there, "A Diary from Dixie" is for you. Chesnut was well-positioned to chronicle Dixie's misery both as a South Carolina lady intimate with Jefferson Davis and his wife, and wife to a Confederate officer whose competence is apparent in his upward trajectory throughout the book's (and war's) course. The authoress succeeds in engaging the reader without any real structure other than ...

Diary from Dixie by Mary Boykin Chesnut This is a rare vintage cloth cover softback edition, 1949 by Houghton Mifflin. Very good condition. An amazing account of a woman that was in the midst of so many important Confederate movers and shakers of the War. She recorded a lot of the daily happens as she saw them - and the awesome thing is that her diary actually survived to be printed. Yes she ...

The original diary of Mary Chesnut, an important work that was repeatedly quoted during the famous television documentary *The Civil War*, provides an insightful look into how the war affected the daily lives of the people of the South.

This book is the author's Civil War diary from February 18, 1861, to June 26, 1865. She was an eyewitness to many historic events as she accompanied her husband to significant sites of the Civil War.

Written by Mary Boykin Chesnut, wife of James Chesnut, Jr., United States Senator from South Carolina, 1859-1861, and afterward an Aide to Jefferson Davis and a Brigadier-General in the Confederate Army.

An unrivalled account of the American Civil War from the Confederate perspective. One of the most compelling personal narratives of the Civil War, Mary Chesnut's Diary was written between 1861 and 1865. As the daughter of a wealthy plantation owner and the wife of an aide to the Confederate President, Jefferson Davis, Chesnut was well acquainted with the Confederacy's prominent players and from the very first shots in Charleston, South Carolina-diligently recorded her impressions of the conflict's most significant moments. One of the most frequently cited memoirs of the war, Mary Chesnut's Diary captures the urgency and nuance of the period in an epic rich with commentary on

The wife of an aide to Jefferson Davis and a prominent hostess in the highest circles of Confederate society offers a compelling firsthand account of Southern life during the Civil War.

An unrivalled account of the American Civil War from the Confederate perspective. Documenting the period between 1861 and 1865, Mary Chesnut's Diary is widely considered to be one of the most compelling personal narratives of the Civil War. As the daughter of a wealthy plantation owner and the wife of an aide to the Confederate President, Jefferson Davis, Chesnut was well acquainted with the Confederacy's prominent players and-from the very first shots in Charleston, South Carolina-diligently recorded her impressions of the conflict's most significant moments. Written with urgency and surprising nuance, Mary Chesnut's Diary is an epic rich with commentary on race, status, and power within a nation divided. 'A great epic drama of our greatest national tragedy.' - William Styron Introduction by CATHERINE CLINTON

An authorized account of the Civil War, drawn from the diaries of a Southern aristocrat, records the disintegration and final destruction of the Confederacy

"In her admirable biography of Mary Chesnut, Elisabeth Muhlenfeld has American literature as well as American history in her debt." -- C. Vann Woodward Mary Boykin Miller Chesnut (1823--1886) is known today for her excellent firsthand account of life in the Confederate States of America. A Diary from Dixie (republished in 1981 as Mary Chesnut's Civil War) is far more than a simple diary, however, for Mrs. Chesnut's drawing room was a social center for many of the most prominent political and military figures in the Confederacy. Elisabeth Muhlenfeld's expert biography utilizes Mrs. Chesnut's autobiographical writings, her papers, and those of her family, as well as published sources. It traces her life in South Carolina from her childhood, as the daughter of a governor and United States senator, through her schooling and her marriage to James Chesnut, Jr., the son of a wealthy South Carolina planter. During the war her husband served as an aide to P. G. T. Beauregard and to Jefferson Davis, achieving the rank of general. Muhlenfeld emphasizes Mary Chesnut's last twenty years, when she helped her family through the intricacies of repaying immense debts incurred during the Civil War, rebuilding wrecked homes, and reestablishing some measure of order and security. These were also the years of her serious writing. She experimented with fiction, writing three novels and translating others from the French; and in 1881 she began the last revisions of her Civil War journal. In the descriptive passages, characterizations, thematic patterns, and overall structure of the revised journal, Chesnut employed the techniques she had learned by writing fiction. Besides adding to our knowledge of this unusual nineteenth-century southern woman, Mary Boykin Chesnut: A Biography enhances our knowledge of the history of women in general as it delineates the transformation of a wartime diary into the chronicle that remains a major document in southern history.

The author, a citizen of South Carolina during the Civil War, shares her experiences and opinions about the war, slavery, and the people around her

From a New England Woman'S Diary in Dixie in 1865 by Mary Ames, first published in 1906, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better
