“ This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty-five years. ” – Booklist (Starred Review) Rudi Mackenzie has journeyed long and far across the land that was once the United States of America, seeking the shore where the sun rises, hoping to find the source of the world-altering event that has come to be known as the Change. His quest ends in Nantucket, an island overrun with forest, inhabited by a mere two hundred people, who claim to have been transported there from out of time. Only one odd stone house remains standing. Within it, Rudi finds a beautifully made sword seemingly waiting for him. she does not live to fulfill her parents ' dream....

S. M. Stirling presents the stunning and epic conclusion to the New York Times bestselling Change series, now in paperback. Many years ago, when advanced technology failed and humanity found itself in a turbulent, postapocalyptic world, extraordinary men and women birthed a new society from the ashes. Two generations after the Change, Crown Princess Órlaith struggles to preserve the hard-won peace her father brought to Montival--the former western North America. But the Change opened many doors, and through them Powers strong and strange and terrible came, to walk once more among humankind. With her fire-forged friend and ally, Japanese Empress Reiko, Órlaith must take up her sword to stop the spread of the mad malignancy behind the Yellow Raja, who has imprisoned her brother Prince John. And from the emerging superpower of Mongolia, the Sky-Blue Wolves of the High Steppe ride once more beneath the banner of Genghis Khan--the thunder of their hooves resounding across a world in turmoil.

Princess Órlaith and the Empress of Japan, Reiko, join forces to fight their mutual enemy and to search for a legendary Japanese sword, believed to be hidden in the City of Angels.
