A quirkily illustrated, brilliantly risqué, but thoroughly practical, guide to the peculiarities of one of the trickiest languages on earth, for (strictly adult) students of English as a foreign language and native speakers alike Do you know when to use whether opposed to if? For example, I wonder whether I should have added a little more poison to his tea? Or where to place the comma in a conditional sentence? English is Not Easy presents the intricacies of the English language in a whimsically illustrated guide that is appealing even to the grammar averse. If all other language and grammar guides leave you snoring, look no further. English Is Not Easy doesn't offer run-of-the-mill phrases about extreme sports and atmospheric conditions that you'll learn in a generic English textbook. This book offers vocabulary for situations the reader will actually find themselves in. Need an insult? Those are here, too, and imbecile is the kindest of the bunch. From 'to be' to complicated verb tenses and seemingly nonsensical idioms, Luci's characters, cheeky dialogue, and playful sentences bring the vocabulary, grammar and usage to life. For those who haven't brushed up on grammar since primary school or non-native English speakers looking to improve conversation, English Is Not Easy is a fresh and infectious guide to revisiting the rules with striking illustrative adventure along the way.

A cheeky, sophisticated, and strikingly illustrated guide that leaves generic English reference books in the dust When prominent Barcelona-based illustrator Luci Guti é rrez found herself tuning out in English class, she used her love of drawing to help retain what she'd learned. Ditching the kind of bland and useless phrases that fill most English textbooks, Guti é rrez uses whimsical characters, cheeky dialogue, and even insults to bring vocabulary, grammar, and usage topics to life. Nearly forty-seven million people in the United States speak a language other than English at home, and even most native speakers struggle with subtle distinctions, such as when to use "whether" as opposed to "if." (For example: I wonder whether I should have added a little more poison to his tea.) Already published to wide acclaim abroad, English Is Not Easy is sure to delight grammar mavens and students of English in America.

"Luci is talking about nutrition in a way that no one else is right now."-Doreen S., JD, Partner, Retired "I love this book, it's like having a coach by your side. It's as if Luci's talking directly to me, I can feel her encouragement and hear her enthusiasm!" -Robin Tucker, CPCC Psychotherapist, Executive and Life Coach "Transformational Leadership - the kind that creates breakthrough engagement and enthusiasm requires internal reflection, devotion to your personal vitality and health as well as communication tools that 'land.' Meaningful and thoughtful practices in nutrition lead to effective decision making and leadership. Luci's book and her methodology tells you how you can use easy, timely and quick practices to build your leadership and start feeling energized, clear minded and unstoppable in your day-to-day life whilst creating a team environment that is genuinely exciting to be a part of." -Sunil Bhaskaran, Founder, Global Business Mastermind "This book by smart nutritionist Luci Gabel guides you in making your own personal food decisions that lead to higher energy levels, more brainpower, better sleep, weight loss, disease prevention, and more. The pace is designed to fit into the life of a busy professional." - Lee Constantine, Publishizer "I thoroughly enjoyed reading (this) book! It is chocked full of evidence-based, use-able nutrition information. If people follow your step by step plan for assessing their current diet and making small, individualized changes, they will not only look and feel better, but, they will improve their physical and mental health, enhance vitality and increase longevity. If you are looking for another wacky fad diet, this isn't it. However, if you are looking for an approach that will help you achieve long term success, this is a must read. In the world of fad diets, this myth-busting book is an "Aha" moment."-Rosemary Lindle, Ph.D., Clinical Professor and Director of ELITE Performance Center, Department of Kinesiology, University of Maryland, School of Public Health and owner, Professional Fitness Consultants, LLC.
