First came Tunnels, then Deeper. Now Will's in Freefall. What will he find when he hits the ground? As Will plummets down a subterranean void, it looks like the end for him. But it's just the beginning of a frightening new adventure in which he must face giant carnivorous spiders and the deadly Brights. And, even worse, two evil twins with a score to settle! But as the dark mysteries of the deep unfold, they not only reveal artifacts from ancient civilisations, but clues to a lost land at the end of the Earth... The terrifying third book in the mega-selling Tunnels series.

Fourteen-year-old Will doesn't think he has much in common with his family. Nothing, that is, except a strange passion for digging which he shares with his father. But one day, Will's dad mysteriously vanishes down a tunnel - part of London's vast, labyrinthine underground system. With his friend Chester, Will decides to investigate. But soon the boys find themselves deep in darkness, unearthing a terrifying secret which may cost them their lives... This riveting bestseller oozes the mysterious fascination of the underground and all its hideous possibilities. Creepy, tantalising and original, it's full of thrills to keep you burrowing in!

As fourteen-year-old archaeologist Will and his friends plummet down a subterranean pore, they face deadly creatures and discover a strange fungal shelf, which not only reveals artifacts from ancient civilizations, but clues to a lost land at the end of the Earth.

Taking it down a whole 'nother level, Will and Chester journey to the deadly center of the earth in FREEFALL. By the authors of the NYT Bestseller TUNNELS--soon to be a major motion picture! DEEPER ended with Will and Chester head over heels in FREEFALL-- tumbling through the subterranean Pore with the evil Rebecca twins in hot pursuit, toting phials of the toxic Dominion virus. When, where, will they ever land? Just when the drop seems infinite, the boys hit bottom, and find themselves in a realm of near-zero gravity atop a giant spongy fungus stuffed with flesh-eating spiders. But the true threat lies closer; dangerously close to Will's heart. And above ground, black-clad Styx are sprouting like poison mushrooms, dead-set on spreading their plague!

The gripping sequel to Tunnels. Will is going deeper under the earth. Deeper into horror, heat and darkness. Every step takes him deeper into mystery. Deeper into terrible danger... As Will, Cal and Chester venture ever further into the Deeps, they enter a place where those banished from the Colony stand almost no chance of survival. Battling heat and deadly prehistoric creatures, they tunnel through caves and deserts - but are they any closer to finding Will's father? And now that the Styx are on their tail, what chance do they have of completing their foolhardy mission?

At the centre of the Earth, in a world that no-one knows exists, Will is in trouble. His enemy, the Styx, are on his tail, ready to pursue him to the ends of the world - any world. Death has never been closer... Meanwhile Drake - with help from the unlikelyest of allies - is preparing to fight the Styx from above. But will his daring plan lead him closer to victory - or into certain disaster? Praise for Tunnels: "It's well paced, exciting and - in places - frightening and bloody." Philip Ardagh, Guardian "Does it live up to the hype? Yes." Daily Express

The end to end all ends: The epic finale to the NEW YORK TIMES bestselling TUNNELS series!Total Termination of the English: The Styx and their lethal cohorts of Armagi will settle for nothing less. Not even the mighty US military is strong enough to stop the assault!Will and Elliott flee back underground, down to the innards of the Earth first mapped in DEEPER and FREEFALL. With the support of a small team that survived the plague of New Germania, they discover a secret at the site of the three core pyramids. A secret that may explain not only where the Styx came from, but the human race, too. Can Elliott, with her mixed blood, unlock the clues before Earth itself spins out of orbit?All the many threads of the prior TUNNELS books come together in this epic conclusion!

Spinning out of control! Just when you thought it couldn't get any deeper, darker, or weirder... Creeping into the open through cracks in the earth, the Styx have surfaced, and are now infesting England like some parasitic scourge -- carriers of a bizarre black secret that will place every last Topsoiler in mortal peril. Unless Will Burrows puts a stop to the propagation. Armed to the teeth, with little more than a motley crew of former commandos as reinforcements, can Will, Chester, and Elliott find a way to squash the threat? Or will they only find themselves in a deadly downward SPIRAL?

Ethan is a member of the Named, sworn to fight the Order of Chaos, an evil group determined to permanently change the course of history. But he is also a normal high school student trying desperately to keep up with his homework and fit in. When he is assigned to mentor Isabel, a cute classmate and future member of the Named, the line between his two lives begins to blur. So begins an epic quest as Ethan, Isabel, and others travel through time to battle dark forces and protect the future.

Closer to victory...or closer to death? An army of darkness is on the march: Who won't escape with their life? The fourth book in the New York Times Bestselling TUNNELS series!At long last reunited with his dad, Will now spends his days exploring the "land of the second sun," decoding the cryptic glyphs carved into its three mysterious temples--or eyeing the wild animals with renegade girl Elliott. Chester, meanwhile, has finally returned Topsoil, where his homecoming is rapidly becoming a horror show. But an army of darkness is on the march. And the ruthless Rebeccas have once more cheated death. With a corps of cold-blooded Limiters at their command, they're determined to hunt Will to the bitter innards of the earth. This time, who WON'T escape with their life?
