With each new novel, Marcy Dermansky deploys her "brainy, emotionally sophisticated" (New York Times) prose to greater and greater heights, and The Red Car is no exception. Leah is living in Queens with a possessive husband she doesn't love and a long list of unfulfilled ambitions, when she s jolted from a thick ennui by a call from the past. Her beloved former boss and friend, Judy, has died in a car accident and left Leah her most prized possession and, as it turns out, the instrument of Judy s death: a red sports car. Judy was the mentor Leah never expected. She encouraged Leah s dreams, analyzed her love life, and eased her into adulthood over long lunches away from the office. Facing the jarring disconnect between the life she expected and the one she is now actually living, Leah takes off for San Francisco to claim Judy s car. In sprawling days defined by sex, sorrow, and unexpected delight, Leah revisits past lives and loves in search of a self she abandoned long ago. Piercing through Leah s surreal haze is the enigmatic voice of Judy, as sharp as ever, providing wry commentary on Leah s every move. Following her "irresistible" (Time) and "wicked" (Slate) novel Bad Marie, Dermansky evokes yet another edgy, capricious, and beautifully haunting heroine one whose search for realization is as wonderfully unpredictable and hypnotic as the twists and turns of the Pacific Coast Highway. Tautly wound, transgressive, and mordantly funny, The Red Car is an incisive exploration of one woman s unusual route to self-discovery."

A remarkable debut mystery from the award-winning author of the 2003 St. Martin's Press/Private Eye Writers of America Prize for Best First Private Eye Novel, Michael Koryta's Tonight I Said Goodbye marks the emergence of a stunning new voice in crime fiction. With its edge-of-your-seat pacing, finely drawn characters, and rock-solid prose, Tonight I Said Goodbye would seem to be the work of a grizzled pro; the fact that the author is just twenty-one years old makes it all the more amazing. Investigator Wayne Weston is found dead of an apparent suicide in his home in an upscale Cleveland suburb, and his wife and six-year-old daughter are missing. Weston's father insists that private investigators Lincoln Perry and Joe Pritchard take the case to exonerate his son and find his granddaughter and daughter-in-law. As they begin to work they discover there is much more to the situation than has been described in the prevalent media reports. There are rumors of gambling debts and extortion, and a group of Russians with ties to organized crime who don't appreciate being investigated—a point they make clear with baseball bats. With some assistance from newspaper reporter Amy Ambrose, Perry and Pritchard believe they are making swift progress. But then they are warned off the investigation by a millionaire real estate tycoon and the FBI. Just when they feel they are closing in on a possible source of answers, another murder forces them to change direction in the case. Perry travels to a resort town in South Carolina and there he finds more than one game being played, and all of them are deadly. The stakes quickly become very personal for Perry, and it's clear that there will be no walking away from this case. In a debut that has already garnered praise from some of today's top writers, Michael Koryta immediately establishes himself as a standard bearer for the next generation of crime writers. Tonight I Said Goodbye is a 2005 Edgar Award Nominee for Best First Novel.

CLOSE RELATIONS is one of the funniest and truest novels about modern family life you'll ever read. Gordon Hammond, sixty-five, a builder who has built up his own, modestly successful business, has a heart attack. Whilst recovering in hospital he falls in love with April, a young black nurse, and leaves Dorothy, his wife of 45 years to set up home with her. Dorothy is released like a loose cannon into the lives of her three daughters and chaos ensues. More relationships break up, passions run high and dramatic developments ensue that will change the Hammond family forever.
