Students pursuing a Microsoft Certified Solutions Associate (MCSA) for Windows 10 will need to start with this 70-698: Installing & Configuring Windows 10 exam. Often referred to as the Help Desk course, this exam provides students with the essentials needed for a career in Information Technology in a corporate environment. Exam 70-698 is the first exam required to earn the Windows 10 MCSA credential, and a primary course in most Help Desk Technician curricula. This text is comparable to exam 70-687 for Windows 8.1 or 70-680 for Windows 7. This exam covers local installation,

configuration of core local services, and the general local management and maintenance of Windows 10. Although the focus is primarily on local scenarios, enterprise scenarios are also included, where applicable. Some cloud-integrated services are covered where appropriate, such as with Microsoft Passport. Microsoft Official Academic Course (MOAC) textbooks are designed for instructor-led classroom courses; the optional MOAC Labs Online facilitate hands-on labs from any location, locally or remotely. Available as an ebook with optional MOAC Labs Online or Lab Manual.

First Edition) Written for researchers, clinicians and doctoral students, the newly revised edition of this comprehensive reference continues to deliver the essentials of intervention research with added content on evidence-based quality improvement, a must for improving healthcare quality, safety and population health outcomes. Although typically it takes years for research-based interventions to make their way to real world clinical settings, this “prolonged time for translation” frustrates researchers and their interprofessional teams. This second edition now delves even deeper into key strategies
