The correct answer to this question is pneumonia. Victor Frankenstein contracts this infection when he travels across the cold, icy Arctic Ocean. He was crossing this ocean to escape a monster but instead contracted the illness.

**Frankenstein** or, The Modern Prometheus is a novel written by the British author Mary Shelley. The first edition was published anonymously in London in 1818, and Shelley's name appeared on the revised third edition, published in 1831. The title of the novel refers to the scientist, Victor Frankenstein, who learns how to create life and creates a being in the likeness of man, but

larger than average and more powerful. In modern popular culture, people have tended to refer to the Creature as "Frankenstein" (especially in films since 1931), despite this being the name of the scientist, and the creature being unnamed in the book itself. Frankenstein is a novel infused with elements of the Gothic novel and the Romantic movement. It was also a warning against the "over-reaching" of modern man and the Industrial Revolution, alluded to in the novel's subtitle, The Modern Prometheus. The story has had an influence across literature and popular culture and spawned a complete genre of horror stories and films. It is arguably considered the first fully-realised science fiction novel and raises many issues still relevant to today's society.

Mary Shelley began writing Frankenstein when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but; upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein.Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation genetic engineering, and bio-terrorism, these questions are more relevant than ever.

A gothic short story about a girl, whose portrait was found in an old, ruined tower. An old lady narrates then the story of Rosina, an orphan, who was thrown out of the house when Sir Peter discovered, that she was in love with his son. When she cannot be found the following day, son Henry sets out on a search and soon hears from fishermen about a invisible girl ...

It is arguably considered the first fully-realised science fiction novel and raises many issues still relevant to today's society.

Mary Shelley (née Mary Wollstonecraft Godwin, often known as Mary Wollstonecraft Shelley) was a British novelist, short story writer, dramatist, essayist, biographer, travel writer, and editor of the works of her husband, Romantic poet and philosopher Percy Bysshe Shelley. She was the daughter of the political philosopher William Godwin and the writer, philosopher, and feminist Mary Wollstonecraft. Mary Shelley was taken seriously as a writer in her own lifetime, though reviewers often missed the political edge to her novels. After her death, however, she was chiefly remembered only as the wife of Percy Bysshe Shelley and as the author of Frankenstein. It was not until 1989, when Emily Sunstein published her prizewinning biography *Mary Shelley: Romance and Reality*, that a full-length scholarly biography analyzing all of Shelley's letters, journals, and works within their historical context was published. The well-meaning attempts of Mary Shelley's son and daughter-in-law to "Victorianise" her memory through the censoring of letters and biographical material contributed to a perception of Mary Shelley as a more conventional, less reformist figure than her works suggest. Her own timid omissions from Percy Shelley's works and her quiet avoidance of public controversy in the later years of her life added to this impression. The eclipse of Mary Shelley's reputation as a novelist and biographer meant that, until the last thirty years, most of her works remained out of print, obstructing a larger view of her achievement. She was seen as a one-novel author, if that. In recent decades, however, the republication of almost all her writings has stimulated a new recognition of its value. Her voracious reading habits and intensive study, revealed in her journals and letters and reflected in her works, is now better appreciated. Shelley's recognition of herself as an author has also been recognized: after Percy's death, she wrote about her authorial ambitions: "I think that I can maintain myself, and there is something inspiring in the idea". Scholars now consider Mary Shelley to be a major Romantic figure, significant for her literary achievement and her political voice as a woman and a liberal.

Includes corrected 1818 text of the novel and seven essays about the novel.

Mathilda (1959) is a posthumous novella by English writer and Romantic Mary Shelley. Written as a means of self-distraction following the deaths of her young children in Italy, Mathilda is a work haunted by tragic loss. Unpublished for over a century, its posthumous appearance helped cement Shelley's reputation as a leading Romantic, an artist unafraid of confronting such themes and taboos as incest and suicide in her work. Mathilda, named after its narrator, traces a young woman's troubled life from birth to her premature deathbed. Following her mother's death during childbirth and her father's subsequent abandonment, Mathilda is raised by her aunt in rural Loch Lomond, Scotland. A gifted reader and promising intellectual, she rises from her difficult circumstances to lead a relatively happy childhood. When, at the age of 16, her father reenters her life, the two reconnect and eventually move together to London. As she begins to receive suitors however, her father's strange jealousy and irrational behavior conceal a terrible secret. When he reveals his incestuous desires to Mathilda, she rejects him, resulting in his suicide and leaving her unmarried, orphaned, and financially unstable. Living in self-imposed exile, she befriends the similarly melancholy Woodville, a young widower and poet who does his best to care for her despite her crushing bouts of depression and frequent suicidal thoughts. Mathilda is an emotionally complex and ultimately difficult novella recognized for its controversial themes and for its parallels to Shelley's own tragic life. With a beautifully designed cover and professionally typeset manuscript, this edition of Mary Shelley's Mathilda is a classic of English literature reimagined for modern readers.

Jane Eyre. Frankenstein. The Scarlet Letter. You're familiar with these pillars of classic literature. You have seen plenty of Frankenstein costumes, watched the film adaptations, and may even be able to rattle off a few quotes, but do you really know how to read these books? Do you know anything about the authors who wrote them, and what the authors were trying to teach readers through their stories? Do you know how to read them as a Christian? Taking into account your old worldview, as well as that of the author? In this beautiful cloth-over-board edition bestselling author, literature professor, and avid reader Karen Swallow Prior will guide you through Jane Eyre. She will not only navigate you through the pitfalls that trap readers today, but show you how to read it in light of the gospel, and to the glory of God. This edition includes a thorough introduction to the author, context, and overview of the work (without any spoilers for first-time readers), the full original text, as well as footnotes and reflection questions throughout to help the reader attain a fuller grasp of Jane Eyre. The full series currently includes: Heart of Darkness, Sense and Sensibility, Jane Eyre, and Frankenstein. Make sure to keep an eye out for the next classics in the series.
