Renowned illustrator Mies van Hout delivers a funny and affectionate picture book that celebrates fathers and the value of play. "Who is my Daddy?" asks a prickly baby animal. Is it the porcupine? The dust bunny? Could it be the cactus? No! It's the father hedgehog, of course, cuddling his baby to sleep. With *This is My Daddy!*, acclaimed author-illustrator Mies van Hout gives young readers a fun and often funny challenge: correctly choose a baby animal's father from among four candidates, rendered in striking portraits. The vibrant cast includes busy beavers, slippery snails, roaming rhinos, and more. A clever twist on babies-and-parents books, *This is My Daddy!* will mesmerize little ones with the details of its vivid artwork. Then, just when the complacent reader has the pattern all figured out, story time wraps up with a side-splitting surprise. -- "Publisher"

Luciana Navarro Powell's spirited text is perfectly paired with her colorful, energetic and very humorous artwork. Dads and their kids will love reading and re-reading this glorious celebration of fathers.

Experiencing loss, whether sudden or expected, is extremely challenging at any age. For children, this time is not only scary, but also can be overwhelming and sometimes lonely. A little turtle loves doing fun things with his mommy that include flying a kite. But his world is turned upside down after his mother suddenly falls ill and goes to the hospital one day. When the turtle's father tells him she has gone to heaven to live with God, the turtle must somehow learn to live without her. The turtle misses his mommy so much. While he wonders if she is living in a cloud, his grandmother and others help lead him through all of his feelings as he moves through the first year following her death and learns that it is okay to cry, laugh and be happy, and forever love his mommy with all his heart. In this beautifully illustrated and touching tale, a young turtle learns how to deal with loss and grief after his mother suddenly dies and leaves him believing she is watching over him from her heavenly cloud. This book provides numerous recommendations for adults supporting the grieving child. These include suggestions for honoring memories, creating tangible remembrances, and working through shared grief in a gentle and supportive way.

A little boy's father seems so large to him that he needs a ladder to cuddle him and birds nest in his father's hair.
