The new edition of the guide that civil service job-seekers have trusted for four decades provides clear, easy-to-follow explanations of the required application procedures, plus in-depth descriptions of all the most popular jobs. Full explanations of all eligibility requirements, model test questions with answers, and two full-length practice exams are provided.

"Vocabulary Power Plus Levels Six through Eight combine classroom-tested vocabulary drills with reading exercises designed to prepare students for both secondary school and the revised Scholastic Assessment Test"--Introduction.

This is the first book in the six-volume series, "Vocabulary Power Plus for the New SAT," which prepares students for the revised Scholastic Aptitude Test. Recommended for 7th grade, this book lays the foundation for success

on the SATs. The skills necessary to achieve higher scores are emphasized throughout the entire "Vocabulary Power Plus" series.

National Geographic Reading and Vocabulary Focus is an all-new, four-level reading series that provides the essential reading skills and vocabulary development for maximum academic readiness. Readings grounded in rich National Geographic content tap into learners' curiosity about the world, naturally encouraging inquiry and opportunities to synthesize information. - A comprehensive, three-part vocabulary development program builds student confidence as learners encounter new or unfamiliar words in academic texts: - Academic Vocabulary sections develop the language that students will encounter in academic readings. - Multiword Vocabulary sections identify words that are commonly grouped together and then prompt learners to work with them in different contexts for enhanced comprehension. - Topic Vocabulary is presented as a reading preview strategy to enhance learner comprehension of the text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

First published in 1938, 'Anthem' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.

National Geographic Reading and Vocabulary Focus is an all-new, four-level reading series that provides the essential reading skills and vocabulary development for maximum academic readiness. Academic Vocabulary in Use Second Edition is the perfect study aid for anyone using English for their academic work. Ideal for students of any discipline, this second edition has been updated to reflect changes in education, technology and communications, includes a selection of new reading passages, and is now in full colour. 50 easy-to-use, two-page units give clear explanations of new vocabulary, along with a variety of practice exercises. A comprehensive answer key, and phonemic transcriptions to help with pronunciation, make it perfect for self-study as well as for use in the classroom. This book is designed for students at good intermediate level and above, and is also useful for those preparing for IELTS and university entrance examinations.

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

Ideal for students mastering a growing content-area vocabulary in social studies, science, and mathematics multisyllabic Greek- and Latin-based words help students unlock the meanings of literally thousands of words.
