Amy Hempel's compassion, intensity, and illuminating observations have made her one of the most distinctive and admired modern writers. In three stunning books of stories, she has established a voice as unique and recognizable as the photographs of Cindy Sherman or the brushstrokes of Robert Motherwell. *The Dog of the Marriage*, Hempel's fourth collection, is about sexual obsession, relationships gone awry, and the unsatisfied longings of everyday life. In "Offertory," a modern-day Scheherazade entertains and manipulates her lover with stories of her sexual encounters with a married couple as a very young woman. In "Reference # 388475848-5," a letter contesting a parking ticket becomes a beautiful and unnerving statement of faith. In "Jesus Is Waiting," a woman driving to New York sends a series of cryptically honest postcards to an old lover. And the title story is a heartbreaking tale about the objects and animals and unmet desires that are left behind after death or divorce. These nine stories teem with wisdom, emotion, and surprising wit. Hempel explores the intricate psychology of people falling in and out of love, trying to locate something or someone elusive or lost. Her sentences are as lean, original, and startling as any in contemporary fiction.

The Collected Stories of Amy Hempel gathers together the complete work of a writer whose voice is as singular and astonishing as any in American fiction. Hempel, fiercely admired by writers and reviewers, has a sterling reputation that is based on four very short collections of stories, roughly fifteen thousand stunning sentences, written over a period of nearly three decades. These are stories about people who make choices that seem inevitable, whose longings and misgivings evoke eternal human experience. With compassion, wit, and the acutest eye, Hempel observes the marriages, minor disasters, and moments of revelation in an uneasy America. When *Reasons to Live*, Hempel's first collection, was published in 1985, readers encountered a pitch-perfect voice in fiction and an unsettling assessment of the culture. That collection includes "San Francisco," which Alan Cheuse in *The Chicago Tribune* called "arguably the finest short story composed by any living writer." In *At the Gates of the Animal Kingdom*, her second collection, frequently compared to the work of Raymond Carver, Hempel refined and developed her unique grace and style and her unerring instinct for the moment that defines a character. Also included here, in their entirety, are the collections *Tumble Home* and *The Dog of the Marriage*. As Rick Moody says of the title novella in *Tumble Home*, "the leap in mastery, in seriousness, and sheer literary purpose was inspiring to behold.... And yet," he continues, "*The Dog of the Marriage*, the fourth collection, is even better than the other three...a triumph, in fact." *The Collected Stories of Amy Hempel* is the perfect opportunity for readers of contemporary American fiction to catch up to one of its masters. Moody's passionate and illuminating introduction celebrates both the appeal and the importance of Hempel's work.

LONGLISTED FOR THE PEN/FAULKNER AWARD ONE OF TIME ' S 100 BEST BOOKS OF THE YEAR ONE OF NPR ' S BEST BOOKS OF 2019 From legendary writer Amy Hempel, one of the most celebrated and original voices in American short fiction: an astounding collection of fifteen stories that are " riveting in precision " (*The Atlantic*) and " scintillating as the blade of a knife " (*The Wall Street Journal*). Amy Hempel is a master of the short story. A multiple award winner, Hempel is beloved and highly regarded among writers, reviewers, and readers of contemporary fiction. These fifteen exquisitely honed stories reveal Hempel at her most compassionate and spirited, as she introduces characters, lonely and adrift, searching for connection. In " A Full-Service Shelter, " a volunteer at a dog shelter tirelessly, devotedly cares for dogs on a list to be euthanized. In " Greed, " a spurned wife examines her husband ' s affair with a glamorous, older married woman. And in " Cloudland, " the longest story in the collection, a woman reckons with the choice she made as a teenager to give up her newborn infant. Quietly dazzling, these stories are replete with moments of revelation and transcendence and with Hempel ' s singular, startling, inimitable sentences. Ravishing, heartbreaking, and powerfully concise, *Sing to It* is an " exquisite collection " (*The Wall Street Journal*) and a " quiet masterpiece by a true American original " (NPR).

This Is the Story of a Happy Marriage is an irresistible blend of literature and memoir revealing the big experiences and little moments that shaped Ann Patchett as a daughter, wife, friend and writer. Here, Ann Patchett shares entertaining and moving stories about her tumultuous childhood, her painful early divorce, the excitement of selling her first book, driving a Winnebago from Montana to Yellowstone Park, her joyous discovery of opera, scaling a six-foot wall in order to join the Los Angeles Police Department, the gradual loss of her beloved grandmother, starting her own bookshop in Nashville, her love for her very special dog and, of course, her eventual happy marriage. *This Is the Story of a Happy Marriage* is a memoir both wide ranging and deeply personal, overflowing with close observation and emotional wisdom, told with wit, honesty and irresistible warmth.

A quietly powerful presence in American fiction in during the past two decades, these collected stories show the true scale of Hempel's achievement. Her compact fictions, populated by smart neurotic somewhat damaged narrators, speak grandly to the longings and insecurities in all of us, and in a voice that is bracingly direct and sneakily profound. These are stories about people who make choices that seem inevitable, whose longings and misgivings evoke eternal human experience. With her trademark compassion and wit, Hempel takes readers into the marriages, minor disasters and moments of revelation in an uneasy America

More popular in their day than DON QUIXOTE, Cervantes's EXEMPLARY STORIES (1613) surprise, challenge and delight. This new translation captures the full vigor of Cervantes's wit and makes available two rarely printed gems, "The Illustrious Kitchen Maid" and "The Power of Blood".

In the final years of his life, Chekhov had reached the height of his powers as a dramatist, and also produced some of the stories that rank among his masterpieces. The poignant 'The Lady with the Little Dog' and 'About Love' examine the nature of love outside of marriage - its romantic idealism and the fear of disillusionment. And in stories such as 'Peasants', 'The House with the Mezzanine' and 'My Life' Chekhov paints a vivid picture of the conditions of the poor and of their powerlessness in the face of exploitation and hardship. With the works collected here, Chekhov moved away from the realism of his earlier tales - developing a broader range of characters and subject matter, while forging the spare minimalist style that would inspire such modern short-story writers as Hemingway and Faulkner.

Image and Power is an important work of literary and cultural criticism. This collection of essays focuses on some of the major issues addressed by women's writing in the twentieth century, concerning genre, subjectivity and social and cultural expectations, issues which in the past have been regarded from an essentially male perspective. The text introduces women writers whose novels have been widely read and provides an important contribution to the debate about women in literature.
