The Lazarus Project Aleksandar Hemon

The acclaimed young American immigrant writer Aleksandar Hemon tells two interrelated stories of immigrant life in the United States. The first story is set in Chicago of 1908 and is based upon a historical event. A young Jewish immigrant from Eastern Europe, Lazarus Averbuch, is killed wantonly by the Chicago Chief of Police.

With "The Lazarus Project," Aleksander Hemon establishes himself as a completely ignorable voice on the literary scene; a product of hype over substance; a lazy writer coasting on the unbelievable luck of winning a MacArthur grant, also known as a "genius grant." Hemon might be a genius, but he's definitely a bad writer.

In The Lazarus Project, his most ambitious and imaginative work yet, Hemon brings to life an epic narrative born from a historical event: the 1908 killing of Lazarus Averbuch, a 19-year-old Jewish immigrant who was shot dead by George Shippy, the chief of Chicago police, after being admitted into his home to deliver an important letter. The mystery of what really happened that day remains unsolved (Shippy claimed Averbuch was an anarchist with ill intent) and from this opening set piece ...

The Lazarus Project Quotes by Aleksandar Hemon

While it doesn't exactly possess the most exciting subject matter or narrative style out there, Aleksandar Hemon's The Lazarus Project is the rare book that manages to defy literary conventions while remaining firmly grounded in the real world and telling a coherent story (two, in fact) to boot.

A beautifully rendered reevaluation of a previously misunderstood chapter in the history of immigration to America--which is to say, in the history of America itself--Hemon's work describes and defines what it means to be a new citizen in this land--"Miami Herald."

On 2 March 1908, Lazarus Averbuch, a young Russian Jewish immigrant to Chicago, tried to deliver a letter to the city ' s Chief of Police. He was shot dead. After the shooting, it was claimed he was an anarchist assassin and an agent of foreign operatives who wanted to bring the United States to its knees. His sister, Olga, was left alone and bereft in a city seething with tension. A century later, two friends become obsessed with the truth about Lazarus and decide to travel to his birthplace. As the stories intertwine, a world emerges in which everything and nothing has changed . . . 'Prose this powerful could wake the dead' Observer 'This is easily Hemon ' s best work to date, an intricately tessellated portrait of flight, emigration, and the meaning of home' Evening Standard

The unprovoked murder of a Russian Jewish immigrant ignites a dazzling novel of flight, emigration and the meaning of home

On 2 March 1908, nineteen-year-old Lazarus Averbuch, a Russian Jewish immigrant to Chicago, tried to deliver a letter to the home of the city's Chief of Police, George Shippy. Instead of taking the letter, Shippy shot Averbuch twice, killing him. Lazarus Averbuch, Shippy claimed, was an anarchist assassin and an agent of foreign operatives who wanted to bring the United States to its knees. His sister, Olga, was left alone and bereft in a city - and country - seething with political and ethnic tensions. In the twenty-first century, Brik, a young Bosnian writer in Chicago, becomes obsessed with finding out the truth of what happened to Lazarus. And so Brik and his friend Rora, a charming and unreliable photographer, set off on a journey back to Lazarus Averbuch's birthplace, through a history of pogroms and poverty and a present of gangsters and prostitutes. 'Masterful . . . troubling, funny and redemptive ... ingenious ... Hemon is as much a writer of the senses as of the intellect. He can be very funny: the novel is full of jokes and linguistic riffs that justify comparisons to Nabokov' Washington Post 'The fearless and spirited expression of a turbulent literary talent ... For all Hemon's nods to other writers -- one catches glimpses not only of Nabokov and Sebald but of Bulgakov, Pamuk, Amis, Poe -- he is entirely his own man, an original who owes no debts to anyone' Patrick McGrath, Book Forum 'Profoundly moving ... A literary page-turner that combines narrative momentum with meditations on identity and mortality' Kirkus

In this stylistically adventurous, brilliantly funny tour de force-the most highly acclaimed debut since Nathan Englander's-Aleksander Hemon writes of love and war, Sarajevo and America, with a skill and imagination that are breathtaking. A love affair is experienced in the blink of an eye as the Archduke Ferdinand watches his wife succumb to an assassin's bullet. An exiled writer, working in a sandwich

shop in Chicago, adjusts to the absurdities of his life. Love letters from war torn Sarajevo navigate the art of getting from point A to point B without being shot. With a surefooted sense of detail and life-saving humor, Aleksandar Hemon examines the overwhelming events of history and the effect they have on individual lives. These heartrending stories bear the unmistakable mark of an important new international writer.

From the celebrated author of the bestselling Lazarus Project "a dazzling collection of stories ... further cementing [Hemon's] position among the finest fiction writers working in English" (GQ). The stories of Aleksandar Hemon's Love and Obstacles are united by their narrator, a young man coming of age in Communist-but-cosmopolitan Sarajevo who will leave for the United States just as his city is torn asunder. In Hemon's hands, seemingly mundane childhood experiences become daring, dramatic adventures, while unique and wrenching circumstances become a common ground that involves us all. As cohesive and impressive as any novel, the short story collection Love and Obstacles stands with the National Book Award finalist The Lazarus Project as the best work of this MacArthur Genius Award winner's career. From the author of The Book of My Lives.

Aleksandar Hemon's lives begin in Sarajevo, a small, blissful city where a young boy's life is consumed with street soccer with the neighborhood kids, resentment of his younger sister, and trips abroad with his engineer-cum-beekeeper father. Here, a young man's life is about poking at the pretensions of the city's elders with American music, bad poetry, and slightly better journalism. And then, his life in Chicago: watching from afar as war breaks out in Sarajevo and the city comes under siege, no way to return home; his parents and sister fleeing Sarajevo with the family dog, leaving behind all else they had ever known; and Hemon himself starting a new life, his own family, in this new city. And yet this is not really a memoir. The Book of My Lives, Hemon's first book of nonfiction, defies convention and expectation. It is a love song to two different cities; it is a heartbreaking paean to the bonds of family; it is a stirring exhortation to go out and play soccer—and not for the exercise. It is a book driven by passions but built on fierce intelligence, devastating experience, and sharp insight. And like the best narratives, it is a book that will leave you a different reader—a different person, with a new way of looking at the world—when you've finished. For fans of Hemon's fiction, The Book of My Lives is simply indispensable; for the uninitiated, it is the perfect introduction to one of the great writers of our time. A Kirkus Reviews Best Nonfiction Book of 2013

Two books in one in a flip dos-à-dos format: The story of Aleksandar Hemon's parents' immigration from Sarajevo to Canada and a book of short memories of the author's family, friends, and childhood in Sarajevo. In My Parents, Aleksandar Hemon tells the story of his parents' immigration to Canada—of the lives that were upended by the war in Bosnia and siege of Sarajevo and the new lives his parents were forced to build. As ever with his work, he portrays both the perfect, intimate details (his mother's lonely upbringing, his father's fanatical beekeeping) and a sweeping, heartbreaking history of his native country. It is a story full of many Hemons, of course—his parents, sister, uncles, cousins—and also of German occupying forces, Yugoslav partisans, royalist Serb collaborators, singing Ukrainians, and a few befuddled Canadians. My Parents is Hemon at his very best, grounded in stories lovingly polished by retelling, but making them exhilarating and fresh in writing, summoning unexpected laughs in the midst of the heartbreaking narratives. This Does Not Belong to You, meanwhile, is the exhilarating, freewheeling, unabashedly personal companion to My Parents—a perfect dose of Hemon at his most dazzling and untempered in a series of beautifully distilled memories and observations and explosive, hilarious, poignant miniatures. Presented dos-à-dos with My Parents, it complements and completes a major work from a major writer. In the words of Colum McCann, "Aleksandar Hemon is, quite frankly, the greatest writer of our generation." Hemon has never been better than here in these pages. And the moment has never been more ready for his voice, nor has the world ever been more in need of it.

NATIONAL BOOK AWARD WINNER • "Altogether gripping, shocking, and brilliantly told, not just a tour de force in its stylistic range, but a great American novel, as powerful a reading experience as nearly any in our literature." —Michael Dirda, *The New York Review of Books* Killing Mister Watson, Lost Man's River, and Bone by Bone—Peter Matthiessen's great American epic about Everglades sugar planter and notorious outlaw E. J. Watson on the wild Florida frontier at the turn of the twentieth century—were originally conceived as one vast, mysterious novel. Now, in this bold new rendering, Matthiessen has marvelously distilled a monumental work while deepening the insights and motivations of his characters with brilliant rewriting throughout. Praise for *Shadow Country* "Magnificent . . . breathtaking . . . Finally now we have [this three-part saga] welded like a bell, and with Watson's song the last sound, all the elements fuse and resonate." —*Los Angeles Times* "Peter Matthiessen has done great things with the Watson trilogy. It's the story of our continent, both land and people, and his writing does every justice to the blood fury of his themes." —Don DeLillo "The fiction of Peter Matthiessen is the reason a lot of people in my generation decided to be writers. No doubt about it. *Shadow Country* lives up to anyone's highest expectations for great writing." —Richard Ford "Shadow Country, Matthiessen's distillation of the earlier Watson saga, represents his original vision. It is the quintessence of his lifelong concerns, and a great legacy." —W. S. Merwin "[An] epic masterpiece . . . a great American novel." —*The Miami Herald*
