~~CRITICAL THINKING: A USER'S MANUAL offers an innovative skill-based approach to critical thinking that provides step-by-step tools for examining arguments. Users build a complete skill set by recognizing, analyzing, diagramming, and evaluating arguments. Later chapters encourage application of the basic skills to categorical, truth-functional, analogical and inductive, and causal arguments as well as fallacies. Exercises throughout the book engage readers in active learning, integrate writing as part of the critical thinking process, and emphasize skill transference. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.~~

~~After Oscar winner Meridan Mark's first attempt to direct and lead fails miserably, she concocts a duplicitous scheme to deflect a storm of bad press. Exploiting an ardent fan as a stalker, she finds herself once again in the adoring and sympathetic arms of her fans and public instead of being harangued by critics. The press grabs hold of Meridan Marks's "stalking" and projects a far more ominous picture of reality, setting in motion a maelstrom that transcends her intentions.~~

~~In this expanded edition of a spiritual formation classic, David G. Benner explores the twin themes of love and surrender as the heart of Christian spirituality. God doesn't want his people to respond to him out of fear or obligation, but invites us to enter into an authentic relationship of intimacy and devotion--by surrendering to love.~~

~~Get valuable tips and techniques for automating your cloud deployments with Azure PowerShell cmdlets, and learn how to provision Azure services on the fly. In this hands-on guide, Microsoft cloud technology expert Michael Washam shows you how to automate various management tasks and deploy solutions that are both complex and at scale. By combining the native automation capabilities of PowerShell with Azure Infrastructure Services, these powerful cmdlets enable you to create and configure virtual machines with ease. You'll learn how to take advantage of these technologies to build complete virtual networks. If you have experience with PowerShell and Azure, you're ready to get started. Install and authenticate cmdlets to set up your environment Create and update virtual machines with Azure platform images Manage network endpoints, access control lists, and IP addresses Use cmdlets to manage and configure virtual machine storage Automate Azure virtual networks with hybrid technologies such as site-to-site, point-to-site, and ExpressRoute Dive into advanced virtual machine provisioning capabilities and management techniques Learn tips and tricks for deleting or moving virtual machines within (or out of) your subscription~~

~~[View other cover designs by searching the Series Title.] Tablets, notebooks, PDAs and phones are not convenient during a meeting. Author Sevices" [NDAS] in its multiple series of 600, 365 and 150 page Journals, Notebooks, Grid Notebooks, Blank Books, etc.~~

~~In today's high-speed culture, there's a prevailing sense that we are busier than ever before and that the pace of life is too rushed. Most of us can relate to the feeling of having too much to do and not enough time for the people and things we value most. We feel fragmented, overwhelmed by busyness and the tyranny of gadgets. Veteran pastor and teacher Arthur Boers offers a critical look at the isolating effects of modern life that have eroded the centralizing, focusing activities that people used to do together. He suggests ways to make our lives healthier and more rewarding by presenting specific individual and communal practices that help us focus on what really matters. These practices--such as shared meals, gardening, hospitality, walking, prayer, and reading aloud--bring our lives into focus and build community. The book includes questions for discernment and application and a foreword by Eugene H. Peterson.~~

~~Jenny McCarthy, New York Times bestselling author of Baby Laughs and Belly Laughs, speaks candidly about the challenges and the humor to be found in balancing motherhood and the ups and downs of marriage. Jenny McCarthy's honesty has made her a bestseller. In Life Laughs, Jenny opens up about all of the things no one told you before you got married and had kids. Of course there's plenty of Jenny's outrageous humor, but she also writes openly and for the first time about doing your best when marriage falters and about her own divorce, which made headlines when it was announced in the summer of 2005. Jenny doesn't pretend to be an expert in her books; she is instead something more valuable--a good girlfriend. Catch Jenny's take on growing older, finances, PMS, sex, dating . . . and again, mommyhood. Jenny McCarthy is a trusted, brand-name, bestselling author, and Life Laughs is poised to be her biggest book yet.~~

This book provides a practical, hands-on guide that provides you with a number of clear step-by-step exercises, which will help you take advantage of the power of LESS. What you will learn from this book: producing dynamic style sheets, or precompiling and including the final articles into your site's pages; using variables, functions, mixins, and operators in your LESS code; using JavaScript to produce styles in your LESS code; using LESS with other libraries, such as Modernizr; creating, importing, or using existing pre-built mixin libraries in your projects; using existing mixin libraries, or creating your own, that you can reuse in future projects.--Back cover.

Now in its 18th year, American illustration presents the finest editorial, promotional, animation and packaging art of 1998. Here, in a single volume, are more than 350 illustrations by some 200 artists selected by a jury from more than 8,000 entries. From the sublime to the subversive, these pictures epitomize the illustrator's gift the ability to transform and visually transmit complex ideas Seasoned talents are featured along with a group of emerging artists who have honed their style and point of view. An essential reference for illustrators and all design and advertising professionals.
