business healthy and growing for generations to come. In *The Successful Family Business*, author, attorney, and well-known consultant Scott E. Friedman examines a host of problems that frequently plague family-owned businesses and shows you how to harmonize family feelings and business issues with the following sound advice: Establish a family council Design a dispute-resolution process Manage a conflict-free transition of leadership control Put agreements in writing Conduct a family business "audit" that will help all members see clearly the direction in which the business is moving. Plus, Friedman clearly explains how to minimize or even eliminate estate taxes, transfer assets or reduce taxes while managing the transition of control, and plan for the long-term success of your family-owned venture. *The Successful Family Business* promises to be your definitive guide to minimizing conflict, maximizing peace and understanding, and improving the decision-making process within your family—and within your business!

Slippin' Sippin' Saints takes a scandalous peek inside the flawed flock of New York's Church of the One Way-where image is everything and nothing is what it seems. From the pulpit to the door, no one escapes the addictively intoxicating atmosphere of

mendacity, temptation, and sex. The church's married and miserable-the M & M's-have the most to lose as they scramble to squash the release of the salacious tell-all *Cheat Like a Lady, Don't Give a Damn*. Sable Alexandra's charmed life crashes and burns as alcohol and arrogance bring husband Price to his knees. Cheaters and beaters don't mix, but an envious Bubbles Dupree craves all things Sable-including her husband. Thirty-five-year-old Chunkie White clings to her virginity tighter than her disgust with life. For lottery-loving Missionary Lilly White, the jig is up. When a geriatric pimp resurfaces and threatens to topple the image she's spent decades to build, will she sacrifice her daughter's virtue to mute him? With an obsession to expose Pastor David Dante's inferno, an impatient editor riding his back, and nothing else left to bank his roll, Reyn pens the noxious roman à clef *Cheat Like a Lady, Don't Give a Damn*. Based loosely on the *Seven Deadly Sins*, *Slippin' Sippin' Saints* spotlights desperate souls wrestling with desire and vice as they seek salvation. From its jaw-dropping opener to its stunning climax, and unforgettable ending, this novel scratches the guiltiest itch, leaving readers breathlessly craving more. Without being preachy, the provocative, refreshingly tongue-in-cheek *Slippin' Sippin' Saints* promises to entertain, redeem, and to restore the gift of hope.
