Editing Research Paper

Editing is about making changes to your sentences and surface features in your research paper. When you edit, you should check for things like grammatical errors, punctuation errors, spelling, and issues related to documentation.

Revising & Editing a Research Paper - Excelsior College OWL

To objectively approach editing, you need to forget the text you wrote, you need to edit with an open mind, the way you would edit other people's texts. If you have deadlines, immediately put in the time for breaks in the work schedule and do not forget them. Otherwise, there is a risk to hand in poor-quality material.
