## **SOP - GENERAL OCEAN AND AIR FREIGHT INFORMATION**

A freight forwarder, forwarder, or forwarding agent, also known as a non-vessel operating common carrier (NVOCC), is a person or company that organizes shipments for individuals or corporations to get goods from the manufacturer or producer to a market, customer or final point of distribution. Forwarders contract with a carrier or often multiple carriers to move the goods.

### **Freight forwarder - Wikipedia**

A Standard Operating Procedure (SOP) is a standardized process that outlines a set of detailed instructions to help workers perform complex tasks properly and safely. The main objective of SOPs is to develop an effective quality system, reduce work variations and comply with industry-specific regulations and standards.
