Three Case Histories: Freud, Sigmund: 9780684829456 ...

These three case histories illuminate everything that is wrong with Freud: He believes and insists that he has unraveled psyches when he has in fact manufactured explanations and could easily have interpreted his patients' symptoms and memories in any way he chose. How did the world get snookered by this guy?

Three case histories (1963 edition) | Open Library

When reading Freud's studies, the reader is immediately struck by the astonishing complexity of a neurotic illness. And this complexity may explain why Freud wrote up so few case histories. Over the whole of his career, he only published five of real depth and significance, and all were written before the First World War. Anna O

Freud quotes: Freud: Three Case Histories

Freud saw Little Hans only once and did not analyse him directly, but supervised the boy's father who essentially performed the analysis himself while providing extensive reports to Freud. The published case history, which runs to almost 150 pages, comprises the father's notes interspersed with Freud's comments and conclusions, along with a postscript written by Freud many years later.

FREUD -- SCREEN ARCHIVES ENTERTAINMENT

Alone among the networks, IPG managed to present the whole story including case histories (which actually did illustrate the points they were making) in 30 minutes, leaving half of their allotted time for Q&A. They also took some care to actually answer the questions, which then revealed some interesting extra information.
