Fundamentals of marketing by josiah go|

The function of marketing at its core is to make a business' product or service more relevant and desirable, as well as ultimately transform that product or service from a desire to a necessity for the targeted market. The end customer can vary widely in identity, goals, and desires.

Fundamentals of Marketing | HowTheMarketWorks

Josiah: First, the most common confusion that the function of marketing is simply the satisfaction of consumer needs and wants. Satisfying customers is the role of a product or service in the marketing mix. Marketing is much broader than that and is more than just a product or service. It is only a starting point.
