California's teacher shortages are serious and have been getting steadily worse over the last few years. After years of budget cuts and layoffs, the 2014–15 school year brought an upturn in the economy, along with a voter-approved funding initiative (Proposition 30), and historic school finance reform (the Local Control Funding Formula).

Teacher Shortages in California: Status, Sources, and ...

Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.
