The Favor Megan Hart

The Favor isn't your typical Megan Hart book, (not that anything she writes is typical) it's not a romance but it does have a romantic "element" but it for me it also had a mysterious and suspenseful element. This book is about family and love but it's also about secrets, regret and forgiveness.

The Favor: Megan Hart: 9780778314400: Amazon.com: Books

Haunting, Surprising and Gripping: The Favor by Megan Hart Many readers know Megan Hart for her emotionally charged and character driven erotica novels. Hart has carved out a unique niche in erotica writing where her works involve characters that are so tangibly real you feel as if you know them and flawed so as to not be idealistic.

The Favor by Megan Hart - Goodreads

The Favor From New York Times bestselling author Megan Hart comes an emotionally charged novel that explores the secrets and lies that can destroy a family...forever. Home isn't always the place you go because they have to take you in.

The Favor - Megan Hart

From New York Times bestselling author Megan Hart comes an emotionally charged novel that explores the secrets and lies that can destroy a family...forever. Home isn't always the place you go because they have to take you in. Sometimes, home's the place you can't escape, no matter how far or fast you run.

Amazon.com: Customer reviews: The Favor

Megan has attracted audiences from all over and her novels have been a hit since the first one was published. She will still be around writing and her fans can expect more thrilling romantic fictions and much more from Megan Hart.

Megan Hart - Book Series In Order

NetGalley is a site where book reviewers and other professional readers can read books before they are published, in e-galley or digital galley form. Members register for free and can request review copies or be invited to review by the publisher.

The Favor | Megan Hart | 9780778314400 | NetGalley

Hart's book has an interesting premise, and for the most part, it's an absorbing read. However, a narrative that moves jarringly from past to present and an overly melodramatic buildup to a bombshell secret that, in the end, seems fumbled muffle the emotional impact of crucial events and weaken the success of the book.

THE FAVOR by Megan Hart | Kirkus Reviews

With characteristic compassion and searing honesty, Megan Hart weaves a shattering small-town story about what can turn brother against brother, and the kinds of secrets that cannot remain untold. Janelle Decker has happy childhood memories of her grandma's house, and even lived there through high school.
